Old business :

discussed which consisted of road work and repair.

Three out of four roads have been grated, smoothed and repaired. Those were the most in need of repair. Those were Kimble Oak Trl, Blue Oak Trl, and Spanish Oak Trl.

Discussion of repairs to Burr Oak Trl in conclusion, another year of donations would have to be collected which is 2021 dues, and/or more donations to the general fund would have to be collected prior to repairs on Burr Oak. Discussed sending out notices asking for donations to help with funds to start on Burr Oak.

We have had some problems with mailings and correct mailing address. Try and get correct mailing addresses for all residents of KORPOA.

New business:

Discussed setting up a FaceBook page for KORPOA so residents can Message new info, post pics of their animals if gone missing or found, ect.

Discussed the shooting of some dogs in our neighborhood. All in attendance agreed it was wrong, unless of course, the dog was attacking you, your family, or your animals and best call of action was to set up a group text or use new FB page to help report an animal on your property. The shooter of previous dogs was not in attendance of this meeting.
